

OWENS CORNING SALES, LLC
One Owens Corning Parkway
Toledo, Ohio 43659

November 5, 2014

Dear Valued Customer,

Owens Corning Commercial and Industrial Insulation business will implement a price increase on SelectSound® products listed below. The increase will be effective in US and Canada, with orders shipping on or after January 1, 2015, regardless of order entry date.

Product Segment	Product Name	Percent Increase
OEM	SelectSound® Acoustic Board	6%
	SelectSound® Theater Blanket T150	6%
	SelectSound® Theater Blanket T200	6%

Owens Corning reserves the option to implement an additional price increase in 2015 should circumstances warrant. Owens Corning also reserves the right to limit the quantity of orders placed in advance of the increase.

Along with this January 1, 2015, increase, we will continue to implement fuel surcharges according to the schedule previously released. Average diesel prices have remained above \$3.76 per gallon since our last update and are forecasted to remain high. The current fuel surcharge of \$180 per truckload will apply until further notice.

New list price sheets for SelectSound® products will be issued along with any price notifications required. These are effective with all shipments January 1, 2015. Please contact your sales representative with any questions.

Thank you for your continued support in this matter.

Sincerely,

Erinn Waggoner
