April 15, 2014

Dear Owens Corning™ Insulation Customer,

Owens Corning Insulating Systems, LLC (“Owens Corning”) will increase its prices in the United States on light density Fiberglas™ building insulation products **effective with shipments on or after June 1, 2014** as follows:

Faced & Unfaced Batts		ProPink FastBatt®	12%
R13	12%	QuietZone®	12%
R15	12%	Basement Blanket™	12%
R21	12%	Manufactured Housing	12%
R30	12%	Products	
All other R Values	12%	Loosefill products	
Flame Spread 25		AttiCat®	15%
FSK	12%	L77 PROPINK®	15%
PSK	12%	ThermaGlas®	15%

This advanced notice is intended to give you ample time to plan your business accordingly. It is our intent for this to be the only increase through September 30, 2014.

As the weather begins to improve and construction activity increases, we anticipate higher levels of shipments in April and May. To ensure fair treatment of our customers, we are limiting May shipments to a maximum of 120 percent of your monthly average from February, March and April, 2014. We will monitor our supply situation closely and advise of any further actions as we get closer to May.

Order confirmations for full truckload orders with an assigned ship date prior to June 1, 2014 will receive current pricing. Less-than-full truckload orders subject to consolidated shipping on or after June 1, 2014 will receive the increased price. We encourage you to place your orders by May 10, 2014 to ensure a ship date prior to June 1, 2014.

We will continue to implement fuel surcharges according to the schedule previously released. Average diesel prices have remained above \$3.76 per gallon since our last update and are forecasted to remain high. The current fuel surcharge of \$180 per truck load will apply until further notice.

New price sheets will be issued prior to June 1 and your area sales manager will review the updates with you. Please reach out to me or your Owens Corning sales team should you have questions. Thank you for your continued support of Owens Corning products and the opportunity to serve you.

Dear Knauf Insulation Customers:

Effective with shipments on or after **June 2, 2014**, Knauf Insulation will increase pricing in the United States on all Residential and Light Commercial Building Insulation Products. This price adjustment will be implemented through issuance of new list prices for the affected products.

Your Knauf Insulation Territory Manager will be contacting you in the coming weeks to communicate details, but you can expect the following list price increases on Knauf Insulation Residential Insulation Products:

Loose Fill Insulation Products	15%
EcoBatts™ and EcoRolls™	12%
Manufactured Housing Products	12%

Additionally, please note the following guidelines pertaining to our pricing policies:

- Knauf Insulation's Customer Terms Confirmation (CTC) is our official document formalizing your pricing and terms. The only valid pricing is the pricing outlined in your CTC document.
- Given that pre-increase order volume may be high, Knauf Insulation reserves the right to limit pre-increase buying volumes in order to maintain desired service levels.
- Knauf Insulation will continue to apply a fuel surcharge whenever the average retail price for #2 Diesel Fuel during the preceding quarter exceeds \$3.25 per gallon. Based on the average through the end of the last quarter, the \$180 surcharge will remain in place. We will continue to adjust according to the table below and communicate changes to you on a quarterly basis.

Average #2 Diesel Retail Price For Prior Quarter	Flat Rate Fuel Surcharge per Invoice Pro-Rated for Split Shipments (USD\$)			
	Full TL	Each 1/4	Each 1/3	Each 1/2
\$3.26 to \$3.75	\$120	\$30	\$40	\$60
\$3.76 to \$4.25	\$180	\$45	\$60	\$90
\$4.26 to \$4.75	\$240	\$60	\$80	\$120
\$4.76 to \$5.25	\$300	\$75	\$100	\$150

Thank you for your continued support of Knauf Insulation. We value your business and are committed to changes that enhance the market for energy efficiency.

UltraComfort™ Premium Blowing Wool	15%

MemBrain™

10%

This price increase is driven by the escalating costs of key raw materials and energy, as well as the need for ongoing capital investment.

With the harsh winter behind us, we anticipate a spike in demand for insulation products in April and May. In order to ensure no service interruptions during this period, we strongly recommend that you place orders with firm specifications by close of business Friday, May 16, 2014. All orders shipped on or before June 1, 2014 will receive current pricing.

CertainTeed will limit customer shipments to 125% of the average monthly purchases over the prior 6 months due to available shipping slots.
