KAMCO LOCK SOLUTIONS SERVICES

NEED ASSISTANCE SECURING YOUR FACILITY OR WITH HARDWARE PRODUCT APPLICATION?

Here at KLS we understand there is not a one size fits all solution for security. We work with our customers to specify products that meet their unique security concerns. Our staff is proficient in today's ever changing technology and will make sure that our proposed solution meets all local & state fire & egress codes. Our factory certified technicians will ensure your installation is complete & working properly as designed.

OUR SERVICE & MAINTENANCE PROGRAMS

Regular maintenance will keep your locks & other door hardware working properly. This will help keep your replacement costs to a minimum while maintaining your facilities security.

Service & maintenance by Kamco's factory certified technicians can be scheduled annually, biannually or customized to meet your needs. Call for more information.
