

## COMMERCIAL BUILDING PRODUCTS

To Our Valued Customers:

In recent months there have been a number of reports of problems related to Chinese-made wallboard that was imported into the United States between 2005-2006. Kamco Supply Corp. of Boston never purchased wallboard produced in China. All wallboard purchased and distributed by Kamco Supply Corp. of Boston has been produced in North America.

For your information, the wallboard involved in the complaints and lawsuits was apparently made in China and sold in the U.S. in 2005 and 2006. One of the manufacturers is apparently Knauf Plasterboard (Tianjin) Co. Ltd., a Chinese wallboard manufacturer. The Knauf wallboard is labeled with the Knauf Tianjin company name. Questions about Chinese wallboard can be directed to Knauf (Tianjin) representatives in the U.S. at the offices of Everett Clay and Associates at (305)-261-6222.

Regards,

Kamco Supply Corp of Boston
